To protect you and this transaction, we require a confidentiality agreement to be signed prior to valuation of your book of business. You will be asked for information on the contracts you will be selling, including commission schedules for the various carriers. Once we have all the necessary information to evaluate, it typically takes 3 to 5 weeks to complete the entire process for eligible purchases.

We have a dedicated team to provide service and support for turning your renewals into cash. We have been assisting agents for many years to access their capital that is locked up in renewals. With over \$6 million paid out to date, it is working. Our goal is to allow you the freedom to put your money to work for you now, whether to sustain your business, grow your business or just pay yourself.

We are here to help you get started, for more information email us at Renewals@AgentXcelerator.com or call us at **(833) 253-2274**.
